A strong liberal arts education offers entrée to infinite professional opportunities. Did you know that law schools draw from majors in English, political science, and history, or that many CEOs hold degrees in philosophy? With more than 40 majors to choose from, you can enhance your marketability through exciting experiences such as study abroad, internships, and service-learning, along with hands-on participation in research and creative endeavors. For more information, visit uri.edu/artsci.

Bachelor of Arts
A typical first semester for a freshman includes:
• 3 credits in history, philosophy, or social science
• 3 credits in art, music, or literature (which includes English)
• 3 credits in mathematics or natural science
• 3 credits in a foreign language
• 3 credits in your anticipated major

Bachelor of Science
A typical first semester for a freshman includes:
• 4 credits in your anticipated major
• 4 credits in a related science
• 3 or 4 credits in introductory calculus
• 3 credits in social science, music, art, literature, history, or philosophy
• 3 credits in English communication

Please note:
Music A successful audition is required for admission to all music degree programs. Call the Department of Music at 401-874-5955 for audition dates and requirements.

ROTC For more information about URI’s ROTC program, call 401-874-2385. ROTC does not currently conform to the University’s nondiscrimination policy on sexual orientation, but this does not preclude any student from participating in the first two years of the program.
